

ATC Varena Electric Thermal Radiators

The ATC Varena Electric Radiators are aesthetically pleasing to the eye and are designed with the installer and end user in mind. Installation is quick, easy and mess-free – using two universal wall brackets, the Varena can be installed in minutes – significantly cheaper than installing a conventional central heating system.

Product Features

- Large TFT Display
- Efficient Timer Control
- Operating modes – Eco – Comfort – Frost Protection
- Easy to use 24 hour-7 day programming
- Precise temperature control
- Adaptive Start Technology – improves Energy Efficiency
- Open Window Function – improves Energy Efficiency

Approvals

- Complies with LOT 20 Eco-Design Directive 2009/125/EC

- CE Approved

Warranty

- 2 Year Warranty on Electronics
- 10 Year Warranty on Aluminium

Accessories

- Optional Castors available
