Energy Efficient  
Heating & Hand Dryers

# Visit Our Energy Showroom

# Our Story

ATC is established since 1991 and during that time we have evolved into a solution oriented company, developing and distributing Energy Efficient products in response to market needs. We are focused on customer service and support and we strive to ensure a high level of dialogue based cooperation with our customers.

## Quality

Quality, safety and design are the key elements of ATC products. It is the core of our business and it ensures our customer's confidence in our products too.

## Our products

We are very proud that our products are being used in many different types of low and high profile projects. We started in Ireland but in recent years our products can also be found in the United Kingdom and Europe. We look forward to continuing our expansion into existing and new markets.

## Innovation

Since 1991 there have been many advances and changes in product development and technologies. There also have been many changes in the way people carry out and transact their business.

We have embraced and taken on many of these new technologies. However, our strength lies in our know-how and company structure, which allows us to respond quickly and flexibly to both specific and generalised customer requests.

QUALITY APPROVED  
COMPANY

# ATC Heating Design Service

Our dedicated Heating Design Team provides a full heating design and heat loss calculation to determine the correct solution for your building.

**Send your CAD drawing or simple sketches and dimensions to [technical@atc.ie](mailto:technical@atc.ie)**

**From this drawing we will:**

- Calculate the area and volume of each space
- Determine the amount of energy required to heat the area.
- Confirm the type and amount of heaters that should be installed
- Provide a Heating Consumption Cost Analysis showing approximate annual costs

- General Heating
- Ceiling Heating
- Under Floor Heating
- Outdoor Heating

# ATC Sun Ray RF Electric Thermal Radiator

*Experience Unique*

## Product Features

- Stand-alone control on Radiator
  - Manual Operation
  - Digital Program Control
- Wireless Control via Gateway and App
- Voice Control compatibility with Amazon Alexa and Google Home
- Low Surface Temperature Option
- Filled with ecologically friendly mineral heat transfer oil
- 7 Sizes: 350W–1800W
- Easy to Install & Program

# ATC Bathroom Range

## A Heat Stat Room Thermostat & Under Floor Heating Stat

- Room thermostat complete with floor probe
- Touch sensitive controls
- 5°C to 35°C range
- Switches 16A resistive load
- Automatic timer with boost mode
- Can be used as an under floor heating thermostat

## B Mirror Demister

- Eliminate steamed up Mirrors
- Simple to fit
- Low cost
- Economical to run – just 0.1 cent per hour!
- Completely safe and Maintenance free

## C Pacific Heated Towel Radiators

Chrome or White

- Quick and easy to install
- Frost resistant to -35°C
- Fitted with electric pre-wired element
- Protected by a temperature sensor
- Suitable for connection to an external timer or intelligent building system

## D Ecosun Under Floor Heating

It's like walking on sunshine

- Heating load is 160w/m<sup>2</sup>
- 15 mat sizes to suit various applications
- Sizes range from 0.5 m<sup>2</sup> to 16.25 m<sup>2</sup>
- Mats can be joined together at the thermostat
- Easy to install single end connection

# ATC Commercial Heating

## Ecosun Ceiling Heater

### Low Temperature

- Two panel sizes
- 600mm x 600mm
- 1200mm x 600mm
- Energy efficient, low energy costs
- Allows flexible use of floor and wall space
- Quick and easy installation to suspended ceilings

## Ecosun Ceiling Heater

### High Temperature

- Two panel sizes: 1800W, 2400W, 3600W
- Energy efficient, low energy costs
- Exceptional heat output due to protected technology
- Can be Ceiling or Wall Mounted with optional tilt brackets
- Optional Protective Grille available

# ATC **INFRA4400** Bluetooth Infrared Heating Controller

**The ATC INFRA4400 Bluetooth heating control** allows 0-100% control of any radiant heater or heaters up to 4.4kW from an easy to use App available from your app store.

The App features a delay off timer along with multiple zone control when paired with more than 1 controller.

In cases where Bluetooth is not used the INFRA4400 comes complete with a separate IR handset providing 5 step control.

100 Variable Output control via app

Simple to use iOS or Android app

## Technical Details

Product Code:	INFRA4400
Electrical Supply:	220 – 240vAC 50/60 Hz Single phase
Max Rating:	4.4kW
Control Type:	0-100% Variable output (Bluetooth) 5 Step (IR Control)
Dimensions:	195 x 118 x 63mm (whd)
IP Rating:	IP56
Connections:	3x L/N/E 4mm <sup>2</sup> Screw Connections 1x Supply, 2x Output
Soft Start	Yes

# ATC Instantaneous Water Heater

## Compact Energy Efficient Water Heater

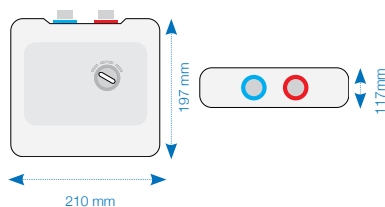

Compact Instantaneous water heater provides instant hot water for the smallest of spaces. Only heats water when in use making it energy efficient.

### Product features

- Easy to Install
- ON/OFF switch – 3 heat options
- Wall mounted – reinforced hanging bracket with internal steel bar
- External casing – made from strong ABS plastic
- Capillary thermostat
- High concentration magnesium anode
- No stored water avoiding legionella

### Dimensions

### Electrical & Plumbing Specifications

<b>Product Code</b>	<b>INST5.7</b>
Power	5.7kW (2.5+3.2)
Voltage	220 - 240 Vac
Frequency	50/60Hz
Min Water Flow Rate	2 l/m
Min Water Pressure	80 kPa
Max Water Pressure	0.6 Mpa
Water Connection	15mm dia (1/2" BSP)
IP Rating	IPx4
ERP Rating	B
